Lustra Marble Wax

Lustra Marble Wax is a specially prepared creamy blend of natural waxes that will clean surfaces & leave a soft sheen on marble, quarry tiles, stone, granite and ceramic tiles. You will find it a very versatile creamy wax blend suitable for vintage marble floors, terracotta, stone and fireplace surrounds. This is the wax formulation most suitable for Victorian-Era marble top furniture.

Easy to use: Wipe on. Let dry and buff to a soft luster. The clear coloration formula is suitable for any color surface.

Lustra Marble Wax is a Toluene Free Wax and is available in a 1 LB tin and a trade size of 2.5 Liter.

The Lustra 2.5 Liter is ideal for floors.

Classic Natural Creamy Beeswax

Made to a traditional recipe using refined beeswax and oils, our Classic Natural Creamy Beeswax polish will revive and enrich the natural patina on all wood furniture, creating a deep rich sheen.

Classic Natural Creamy Beeswax, available in both Clear and Dark, is a wax polish especially suitable for period oak and mahogany. If desired Dark Beeswax may be used to impart a deeper, warmer color to light colored furniture. Creamy Beeswax Polish both cleans and polishes furniture to a deep lustrous shine leaving the furniture with a pure clean smell.

Classic Natural Creamy Beeswax is safe and easy to use. Dark and Clear are available in 250 ml jar. (250 ml jar)
